Living- arms to prevent further display gun-play. Other officers rushed to the scene and Labona was subdued only after a desperate struggle. Trouble Started Yesterday.

The cause of the desperate attempt tainback, to take the life of the Captain of the Chicago Norwegian steamer is lain to a free University fight that occurred on board the col-California; lier yesterday afternoon. The disagreement which was afred in police court this morning following a trial, of Captain Sorenson upon charge of by counsel was fined \$15 and three dollars court cost, having been found guilty of assault upon the fireman. Labona alleged this morning that he had been taken ill and in entering a protest at turning out for duty with the chief engineer, was told that he served pineapples and sundries will Gertie Katscher, Miss E. Kincaid, B. J. Cockburn, Mrs. S. Allen, J. R. Gait, Burdick of Cahu Coffege, Kansas and would have to appeal to the captain. bridge, where the skipper was awaiting his appearance. According to the story told by Labona before Judge Larnach this morning he had barely stepped on the bridge when Captain Sorenson grabbed him by the shoulder, and shook him roughly, and to such extent that his cap fell from his head to the deck below. Labona then declared that he believed that he was to receive some rough handling by his superior officer, raised his hands to ward off a blow. As he did so he received a smash in the face that black-

> batants were separated the fireman received the worst of the encounter. Fireman Labona late yesterday afternoon swore out a warrant for the arrest of Captain Sorenson upon a charge, of assault and battery. The case was heard this morning and in relating his side of the story. Captain Sorenson declared that he did not use any force in dealing with the fireman until the member of the crew attempted to strike him. He further stated that his reason for calling the through fever. Captain Serenson admitted that some words followed but that in order to preserve his dignity as an officer and commander of his vessel he took Labona to task with after a fight.
